SUMMARY

Innovative and results-driven Frontend Developer with over 8 years of experience developing high-performance web applications. Proficient in modern web technologies and frameworks, strongly emphasizing user experience, clean, maintainable code, and best practices. Demonstrated ability to mentor junior developers, and deliver scalable, robust solutions.

EXPERIENCE

Frontend Developer

WineDirect 📅 01/2022 - Present 📍 Vancouver, Canada
🔗 winedirect.com

- Enhanced user experience and reduced downtime by developing user-facing features with React.js and React Native.
- Ensured quick resolution of production issues by delivering high-quality, unit-tested code.
- Collaborated with 3 cross-functional teams to design impactful new features.

Frontend Developer

Up Learn 📅 04/2011 - 11/2021 📍 London, United Kingdom
🔗 uplearn.co.uk

- Developed and maintained e-learning platform features, positively impacting 100+ students.
- Introduced TypeScript, reducing bugs by 20% and enhancing code quality.
- Refactored codebase to TypeScript, improving maintainability and UX for 100= users.
- Achieved a cohesive user experience by collaborating closely with UX/UI designers and backend engineers.

Software Developer

Laboratorio Bridge 📅 03/2020 - 03/2021 📍 Florianopolis, Brazil
🔗 portal.bridge.ufsc.br

- Redesigned user interfaces with React.js and Java, improving user satisfaction
- Enhanced health care management systems, benefiting municipalities and health professionals.
- Mentored new developers, fostering a collaborative and learning-oriented environment.
- Implemented 20+ reusable components, maintaining a consistent design system across projects.

Software Developer

FEESC 📅 10/2018 - 02/2020 📍 Florianopolis, Brazil
🔗 feesc.org.br/site

- Developed and maintained various web applications, ensuring adherence to best practices and clean code standards.
- Participated in code reviews, pair programming sessions, and team meetings to enhance code quality and productivity.

EDUCATION

Postgraduate in Full Stack Web Development

Pontifical Catholic University of Minas Gerais

📅 03/2020 - 02/2022 📍 Brazil

Bachelor's Degree in Information Systems

Federal University of Santa Catarina 📅 08/2014 - 12/2018 📍 Brazil

STRENGTHS

Teamwork
Committed to working collaboratively with colleagues to achieve common goals.

Attention to Detail
Meticulous in code quality, ensuring robust and maintainable solutions.

Adaptability
Quick learner who thrives in fast-paced and changing environments.

Problem-Solving
Excellent analytical skills to identify and resolve issues effectively.

SKILLS

HTML5 CSS3 JavaScript

TypeScript React Next.js Flexbox

CSS Grid Sass Chakra UI

TailwindCSS Figma Git GitHub

VS Code Jamstack Jest

RESTful APIs Agile Scrum
